

## Meeting Summary

When: 1/13/09, Activities Period

Who: GCAT Leaders

Where: Wilson Lecture Hall

Why: Organizational Meeting

Time: 30 minutes

~Current paper mats in Dining Hall situation:

-They have not ordered more and do not plan to!

~Tri-Folds in Dining Hall:

-GCAT can take them over for advertising/education

-Plan to take 3 of the 6 spaces

-Space 1: Fun "Green" Facts.

Space 2: GCAT Recycle Reminder!

Space 3: Where to recycle around campus (For example, Bottles can be recycled at .... Shoes can be recycled at...Paper can be recycled at...)

~More GCAT education: Make a poster for Seymour, possibly aerial view of campus, with blue dots showing where you can recycle! Also, Nick Hobbs is working on having a speaker from the Cleveland Indians talk to the school

~February Contest: Can we reduce our electric bill?

Talk to Jeff Jaco and determine last year's February electric bill

Challenge the school to reduce that bill, using less electricity

If success, whole school receives a prize (sleep in, dress down day?)

Throughout the month give tips on how to continue reducing

Next year, we can set a percentage value (based on this year's results)

~The Feet-Reducing Your Carbon Footprint:

Saved until green week/time with less snow

Before Thursday: Puffer find logistics of Tri-folds (height, width, etc)

Thursday's Meeting Plan:

GCAT members can sign up to:

~Design aerial view of campus recycling map [2-3 members]

~Find Fun Facts\*

~Find all the recycling bins in a certain building, including what can be recycled there (assign each member one building, Seymour, KFAC, Wilson, Chapel, Ellsworth, MAC, Morgan, Bookstore?)\*

~Next Thursday cut tri-fold sheets in art room

~Next Friday during free time assemble tri-folds

~Continue signing up to say the Green Fact of the Week

\*members should email this info to Emily Clark by next Monday
