-Chloe and Puff will make thank you cards for Tech Drive. Also, if anyone who took pictures at the Tech Drive could email them to me, that'd be great, because I'm about to update the blog slideshow (you can also send me pictures from that Green Contest we entered showing GCAT on campus!).

-Research the possibility of degradable trash bags.  
Ask: How many trash bags to we use a year? How much are they? What size do we use?  
Talk to Mr. Tortelli for more information

-Start up the energy competitions with Dec/Jan.  
Need to determine prize, promotion, goal...  
Also, as an all member GCAT activity, we can make stickers to put on light switches to remind people to turn them off when they leave the room (talk to Ms. Karam for permission)
