To register from the student's Application Checklist. Click on "Register for an Event" in the first application step:

Welcome to Western Reserve Academy

Western Reserve Academy has been consistently ranked high among the nation's top boarding and day schools. 100 percent of our graduates go on to attend 4-year colleges or universities, many at the most selective schools in the world. *Architectural Digest* named WRA the most beautiful private school in Ohio. While we are proud of these accolades, we are more interested in your dreams and aspirations.

Take a spin around [our viewbook](#) to learn more about Reserve.
