WRA
Western Reserve Academy

THANK YOU

At the time this annual report was compiled last year, I wrote about anticipation. The anticipation of a renovated Seymour Hall, of implementing a wholly new curriculum, and of the goal line for the Campaign for Excellence & Access.

This year, we shift from anticipation to realization. Because of you, we have accomplished so much. The WRA Fund closed at $2.56 million, exceeding our goal. Thank you hardly seems adequate.

Seymour Hall stands re-opened, representing the best of what Western Reserve Academy has been and will be. It is the heart of the school, because it is the academic hub and because it beautifully blends tradition and innovation both in its design and purpose. For example, Seymour Hall's historic, 103-year-old stairway connects three floors of classrooms heated and cooled by cutting-edge geothermal technology. Lessons in languages as ancient as Latin and current as computer coding reveal both the timelessness and evolution of learning at Reserve.

The independent curriculum has taken flight at the hands of our talented faculty, and students are soaring. At the time of this writing, we have announced six National Merit semifinalists. More than 70 students — actors, athletes, singers, and scientists — auditioned for our fall musical. Our Varsity Boys Soccer team has yet to be beaten. These may seem like typical high school accomplishments, but at Reserve, they combine with other superlatives.

Architectural Digest chose WRA as the Most Beautiful Private High School in Ohio, and again Niche named us #1 in Ohio as the Best Private High School, Best Boarding School, and Best High School for STEM. We ranked in the top three percent of private high schools in the country. Our Wang Innovation Center has been lauded nationally and internationally and, most important, embraced by our students as their favorite place to gather and learn, dream and do. This past August, we welcomed an impressive freshman class and and a global community representing 17 countries and 26 states.

The feelings of pride and happiness on campus are palpable, and perhaps in today's world, these are of the utmost importance. Thank you for both your generosity and optimism surrounding all that is Reserve. It is a year to celebrate, with so many milestones met and a thrilling future in front of us.

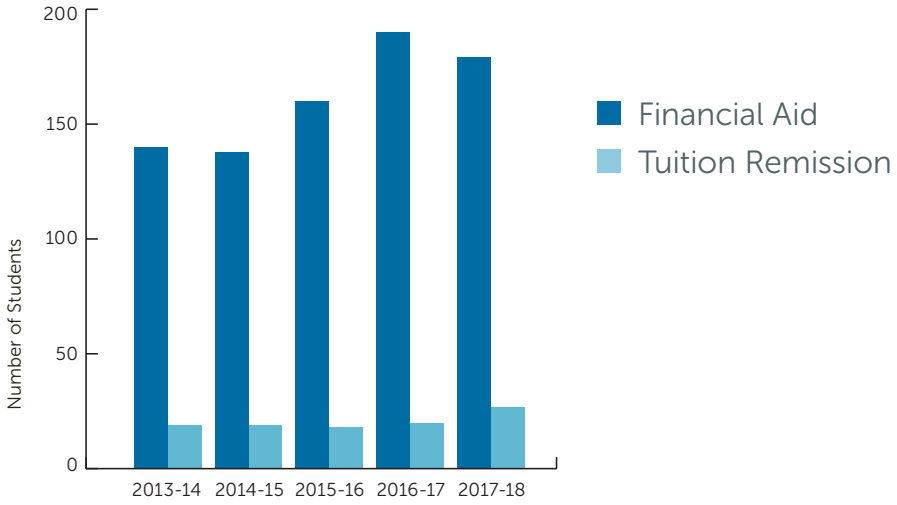
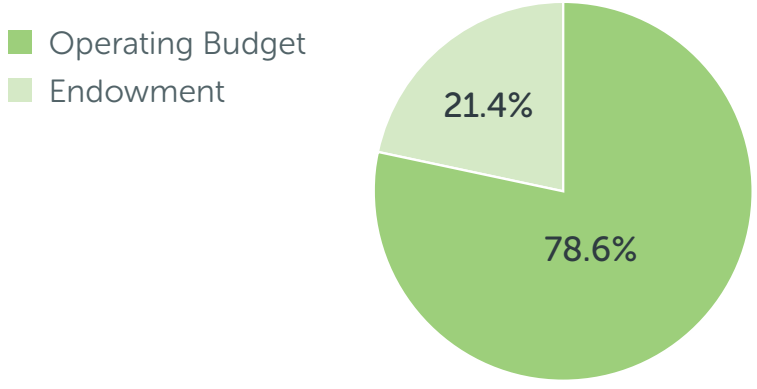
Financial Aid



Sources of Financial Aid



In 2017-18, 49 percent of WRA students received financial aid totaling $6,658,099. Our commitment to financial aid allows the Admission Office to build a diverse and talented student body. The benefit to our community is immeasurable: differing backgrounds, perspectives and experiences weave together to create a rich educational environment for students and faculty alike. This commitment is only possible thanks to the generosity of our donors, who appreciate the vital role financial aid plays in shaping the fabric of the school.

FINANCIALS

The WRA Fund | By the Numbers

337 donors to **The WRA Fund** chose to direct gifts towards, financial aid, faculty support, academic programs, athletics or buildings & grounds. These meaningful gifts, when combined with unrestricted donations, result in a total of 1854 donors who support the WRA experience.

Without **The WRA Fund**, **$64 million** in additional Endowment dollars would be required to meet current operational needs of the school.

A combined total of **$365,211.76** was raised by Reunion year classes, thereby significantly impacting the student experience.

We are thankful for the **187** volunteers who played an integral role in helping us reach a record-breaking annual giving year.

84% of graduating seniors participated in **The WRA Fund** which is 9 percentage points more than the class preceding them. Their support honors and celebrates the people and programs that made an impact on their lives. Thank you!

THE 1826 SOCIETY
WESTERN RESERVE ACADEMY

Named for the year of the founding of Western Reserve Academy, the Society honors those who support the school with an especially significant gift that greatly strengthens the school's financial foundation. In 2017–2018, more than two hundred and thirty 1826 Society donors contributed $2,163,011 to The WRA Fund; their gifts preserve the distinctive strengths of Western Reserve Academy and impact all aspects of the student experience.

James Ellsworth Associates: $50,000+

The highest level of giving honors James Ellsworth, pioneering philanthropist and member of the Class of 1868. Mr. Ellsworth's many gifts rebuilt the campus in the early 1900s, and his generous estate gift created the WRA Endowment.

Head of School Associates: $25,000-$49,999

Donors at this level stand with the Head of School in furthering the school's core values of Excellence, Integrity and Compassion through their generous support.

Brick Row Associates: $10,000-$24,999

Brick Row defines our campus; donors at this level impact all aspects of the student experience. The memory of these beloved Collegiate Federal style buildings is forever etched in the hearts and minds of WRA graduates.

Chapel Associates: $5,000-$9,999

An iconic building on campus, the Chapel symbolizes the sense of community that donors at this level are committed to preserving. As the venue for Morning Meetings, the Chapel is also a reminder of the traditions that bind generations of WRA alumni.

Reserve Associates: $1,826-$4,999

Donors at the threshold level of the 1826 Society recognize the distinctive nature of every student's Reserve experience. Donors at this level are recognized for their commitment to the school's most fundamental goal: excellence in education.

Green & White Club: $500-$1,825

Young alumni support is essential for Western Reserve Academy to be able to offer a uniquely excellent education to all current and future Pioneers — and to help them develop into tomorrow's leaders. The Green & White Club allows alumni of the last fifteen years to become leaders in philanthropy.

THANK YOU

Every gift to Western Reserve Academy is truly appreciated and wisely used. In this report, we have done our best to appropriately and accurately recognize every donor to the school from July 1, 2017, to June 30, 2018, which is the school's fiscal year. If you believe we have omitted your name in error or you would prefer to be listed in a different way, please contact me directly at either lafontainem@wra.net or call 330-650-9704.
